Career Summary

I am a software engineer with 2 years of backend experience and a growing focus on DevOps. I have been working hands-on with Docker, Kubernetes, GitHub Actions, Jenkins, and AWS while building CI/CD pipelines and automating tasks. I am comfortable with Linux systems and have also explored Terraform and Ansible. Recently, I have taken on more DevOps-related work and was recognized as a “Learning Champion” for consistently upskilling.

Skills

- **DevOps Tools:** Docker · Kubernetes · Jenkins · GitHub Actions · Git · Linux · Bash · Terraform · Ansible · Python (Basics)
- **Cloud Platforms:** AWS (EC2, S3, Route 53, VPC, IAM, RDS, ECS, ECR, Elastic Beanstalk, CloudFront)
- **Monitoring Tools:** Prometheus · Grafana · CloudWatch
- **Backend Development:** PHP · Symfony · Pimcore · REST APIs · MySQL · Postman
- **Systems & Tools:** Git · GitHub · Ubuntu/Linux · VS Code · Composer

Experience

Software Engineer

Happiest Minds Technologies — Aug 2023 – Present

◇ **PepsiCo Project** (Aug 2023 – Apr 2025)

- Worked on backend development using PHP, Symfony, and Pimcore to build and test REST APIs and handle data modeling.
- Alongside project work, actively learned DevOps tools like Docker, Kubernetes, Jenkins, and AWS.
- Recognized with the “Learning Champion” award for consistent learning and upskilling.

◇ **NBB Project** (May 2025 – Present)

- Currently working on a merchandising report module with custom backend logic.
- Continuing DevOps learning and building personal projects with CI/CD, Kubernetes, and AWS.

Education

• Bachelor of Technology – Computer Science Engineering University Institute of Technology, Shimla (HPU) 9.05 CGPA	Nov 2020 – Jul 2023
• Diploma – Computer Science Engineering Govt. Polytechnic, Paonta Sahib (HPTSB) 83% 3rd Rank in State	Jul 2018 – Aug 2020
• Class XII – Science (Non-Medical) Govt. Sr. Sec. School, Bhaderwar HP Board 70.6%	Mar 2017 – Mar 2018
• Matriculation Govt. Sr. Sec. School, Bhaderwar HP Board 92.1%	Mar 2015 – Mar 2016

Achievements

- **Merit Certificate:** 3rd Rank all over the State in Polytechnic (CSE 2020 Batch)
- **Udemy DevOps Course:** Completed hands-on DevOps course covering Docker, Jenkins, Kubernetes, Terraform, CI/CD, and AWS
- **Learning Champion– PepsiCo Project:** Awarded for consistent learning effort and initiative during the project

Languages

- **Hindi:** Excellent (Native/Bilingual Proficiency)
- **English:** Professional Working Proficiency
